Join us to celebrate the 800th anniversary of Saint Francis of Assisi by

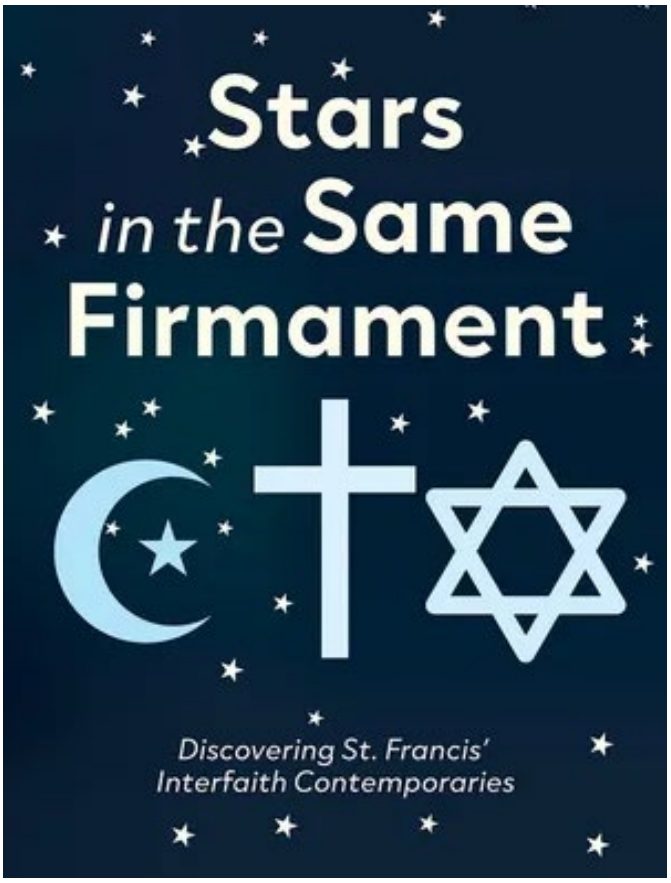

Discovering St. Francis' Interfaith Contemporaries

with Canon Dr Andrew Mayes

based on his book Stars in the Same Firmament and *organised by Herefordshire InterFaith*

We will explore the hinterland and wider world in the ministry of St. Francis, offering a broader perspective that will help us identify the uniqueness of his message as well as its commonalities and parallels with other contemporary spiritual seekers.

We will listen 'with heart' as we hear wisdom texts from the Christian, Jewish and Muslim traditions.

We hope that listening receptively to interfaith voices from the time of St Francis will stimulate and equip us for closer attentiveness to neighbours of all traditions today.

Our day will include interfaith sharing and reflection, music, inpirational guidance and insight into the universal and perennial themes of spiritual life and seek to open up a wider context for understanding St. Francis.

Andrew D Mayes, formerly Spirituality Adviser to the Diocese of Cyprus and the Gulf, is a retreat-giver and Anglican priest living in Herefordshire.
